Rescue Rehome Repeat Recognized by Miranda Lambert's MuttNation

Rescue, Rehome, Repeat of South Louisiana ("RRR") is proud to announce that it has been selected as one of this year's MuttNation "Mutts Across America," presented by MuttNation Foundation and Tractor Supply Company. MuttNation selects 50 Mutts Across America annually, one in each state to receive a donation in the amount of \$5000.

Adoption Rate, Volunteerism, & Community Presence are just a few of the criteria that Miranda Lambert & the MuttNation Foundation used when choosing Rescue Rehome Repeat as one of their 50 "carefully-vetted animal shelters" in their 2021 Mutts Across America grant program. Bev Lambert, Miranda's mom and The MuttNation founder stated that they "feel we have now developed a criterion list through which we hand pick the "best of the best" shelters."

Mutts Across America came as a total surprise to RRR and the other 2021 recipients, as this isn't a grant that anyone can apply to for consideration. Instead MuttNation's board makes their decision and then waits until the awards are received before making the announcement.

When RRR President, Terri Dunlap, opened the letter that included a grant for \$5,000 from MuttNation's Mutts Across America, she said that she was "Unbelievably shocked. We never expected this. We love what we do and were super honored."

When speaking about Mutts Across America recipients Miranda Lambert said that ""We know that these funds will help shelters continue to provide a great environment for their pets, employees, volunteers and the communities at-large that they serve." Miranda has always had a love for animals and even found her pup Delilah while volunteering at a local shelter. This passion led Miranda and Bev Lambert to create the MuttNation Foundation in 2009 to help find safe and happy homes for as many dogs as possible.

RRR Officers, Committee and Board Members, wonderful volunteers, and supporters, want to give a huge thank you to Miranda Lambert and The MuttNation Foundation. MuttNation, is a 501c3 non-profit organization, was founded in 2009 by Miranda Lambert with her mom, Bev Lambert. The foundation's mission is to promote the adoption of shelter pets and assist with rescuing animals in need. The mother and daughter team currently have 15 rescued pets between them. Since Mutts Across America began in 2015, the program has donated over \$750,000 to over 250 shelters.

Rescue Rehome Repeat of South Louisiana is dedicated to finding forever homes for abandoned and displaced animals while educating the public to be more responsible pet owners. At RRR we have seen it all when it comes to man's best friend. But despite the misfortunes these animals have endured, our commitment to them remains steadfastly clear: to provide loving, emotionally stable, nurturing foster care for them while we work to find them their forever families. Rescue Rehome Repeat of South Louisiana is a 501(c)(3) non-profit organization. The mission of the organization is to raise awareness of the plight of animals in southeastern Louisiana, to teach and foster good pet parenting practices as well as to promote spay and neuter programs to help alleviate the need to destroy healthy and adoptable pets. Rescue Rehome Repeat of South Louisiana takes in owner surrender animals through their Positive Alternatives to Shelter Surrender Program and from kill shelters within Livingston and the immediate surrounding parishes by direct request of shelter directors as space permits. www.rrrofsouthla.com
